April 30, 2011

A flashback to the '50s takes you to a different time, one that featured sock hops, poodle skirts and saddle shoes. The popular music included songs by Bill Haley and the Comets, Elvis, Jerry Lee Lewis, Chuck Berry and Fats Domino. Things were a bit different at Grand Haven Christian as well. In fact, we owe some of the changes to many of our alumni from the '50s who contributed to the capital campaign resulting in the wonderful facility we enjoy today. What remains the same is that GHCS offers the best education in the area. An education that allows students to explore, challenge and discover. An education that is Christ-centered. Our students are not only in an environment of academic excellence, they are surrounded daily with teachers, staff members and other students who share Christ's love with them. A Christian education allows our students to not only ask, "What would Jesus do?"; it allows them to say, "Look what Jesus does" as that relates to mathematics, science, and all other areas of life. So tonight, as we raise money for the Annual Fund and celebrate a time gone by, please remember that the funds raised will help our students prepare to serve Christ in their neighborhoods, their communities and their world.

Thank you very much for being a part of the Grand Haven Christian School auction. Over the last 11 years the annual auction has raised more than \$350,000, and that money has helped bridge the gap between tuition and the cost of education at GHCS for hundreds of families. Within our overall goal tonight is the specific goal of "selling" 180 days of Christ-centered education. So, in addition to bidding on some terrific tangible items, please consider a cash donation of \$33 to help with one day – or more. Thanks for renewing our mission and helping to make Christian education sustainable.
